

# Michigan's Teaching Strategies Gold to DRA2 Crosswalk

The following table allows educators to connect one of the regularly used non-required diagnostic classroom assessments to Michigan's Kindergarten Entry Assessment (KEA). The columns labeled GOLD Dimensions, Objectives, and Progressions contain Michigan-specific skills that are assessed by the KEA. The other columns contain information about skills specific to the other assessment, as labeled. Rows without any information indicate areas where the KEA Objective, Dimension, or Progression are not assessed in DRA2.
